

REMARKS

The Office Action mailed 9 May 2007 has been received and considered.

CLAIM REJECTION UNDER 35 USC 112:

Claims 1-7 presently stand rejected under 35 USC 112 as being indefinite. Responsive to the indications of the Examiner, applicant has cancelled claims 1-7 and replaced them with new claims 8-29. In view of the cancellation of claims 1-7, it follows that the rejection of these claims under 35 USC 112 has been rendered moot. Applicant submits that the new claims 8-43 satisfy the provisions of 35 USC 112.

CLAIM OBJECTIONS:

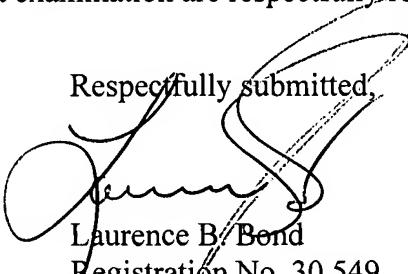

Claim 2 stands objected to under 37 CFR 1.75(c). As noted above, claim 2 has been cancelled thereby rendering the instant objection moot.

With reference to the Examiner's an application data sheet, applicant advises that no such sheet was filed with this application. If the Examiner would clarify the nature of his request, the applicants would be more than agreeable to meet such requests.

CONCLUSIONS:

Applicant has submitted a new set of claims which are considered to overcome the objections and rejections entered against the previously pending set of claims. Entry of these claims into the application and their subsequent examination are respectfully requested.

Respectfully submitted,
